

STANDARDS FOR ALL INDUSTRIES

COMPLIANCE	Adhere to CDC Guidelines for Businesses and Employers	https://www.cdc.gov/coronavirus/2019-ncov/community/organizations/businesses-employers.html
	Adhere to ND Department of Health Recommendations and Resources for the Public	<p>Risk levels and the statewide color-coded health guidance system provide situational awareness to help make informed decisions and adjust guidelines for businesses and event planners in order to prevent further spread and impact of the virus in communities; especially among vulnerable populations.</p> <p>Recommendations are intended to supplement and not replace local mandates. All local mandates must be followed.</p> <p>ND Smart industry-specific protocols are available at: https://ndresponse.gov/covid-19-resources/covid-19-business-and-employer-resources/nd-smart-restart/nd-smart-restart-protocols</p>
	Complete the Workplace Assessment Tool for COVID-19	https://www.health.nd.gov/sites/www/files/documents/Files/MSS/coronavirus/Workplace_self_assessment_ND.pdf
	Tribal Areas	Any business located within the exterior boundaries of a reservation is subject to additional requirements under tribal law.
MOVEMENT AND ACTIVITY	Social Distancing	<p>Limit occupancy of indoor and outdoor spaces and gathering sizes to follow social distancing guidelines. If there is no way to control access of entry (egress) of outdoor spaces, spread out activities to double the normal footprint.</p> <p>In addition to the following general guidance on gathering sizes, visit ND Smart industry-specific protocols for recommendations based on type of business or operation.</p> <p>ALL RISK LEVELS</p> <ul style="list-style-type: none"> • Always maintain 6-ft of social distancing. • Wear face coverings. • Contactless/electronic payment is preferred. • Provide plexiglass or other physical separation at point of service (e.g. cashiers), when feasible. • Provide signage and mark 6-ft increments where lines form. • Six feet of distance between tables. • Use outdoor spaces when feasible. • Follow ND Smart industry-specific protocols. <p>(CONTINUED ON NEXT PAGE)</p>

STANDARDS FOR ALL INDUSTRIES (CONTINUED)

MOVEMENT AND ACTIVITY

Social Distancing

Red/Critical Risk Level — Only essential workers as defined by the [United States Department of Homeland Security](#) and essential travel are open.

- Require [face coverings](#)

Orange/High Risk Level — Only [essential workers](#) and essential travel are recommended. For businesses choosing to remain open, the following guidance is strongly recommended:

- Require [face coverings](#)
- All non-essential businesses are limited to 25% of the rated room capacity while social distancing. Limit individual family groups/party sizes to one household or fewer than 10 people per party.
- Outdoor spaces follow industry-specific Smart Restart protocols
- Operators should post their temporary occupancy limit prominently on all entrances.
- High-risk individuals and their caregivers should avoid crowds and large gatherings.
- Cancel gatherings of any size where social distancing cannot be maintained.

Yellow/Moderate Risk Level — Non-essential services and travel may be considered with caution. The following guidance is strongly recommended:

- Require [face coverings](#)
- All non-essential businesses are limited to 50% of rated room capacity but no more than 100 people while social distancing. Limit individual family groups/party sizes to one household or max of 10 people per party.
- Outdoor spaces follow industry-specific Smart Restart protocols.
- Operators should post their temporary occupancy limit prominently on all entrances.
- High-risk individuals and their caregivers should avoid crowds and large gatherings.
- Cancel gatherings of any size where social distancing cannot be maintained.

Green/Low Risk Level — Non-essential services and travel may be considered with fewer restrictions. The following guidance is strongly recommended:

- Strongly recommend or require [face coverings](#).
- All non-essential businesses are limited to 75% of rated room capacity but no more than 200 people while social distancing. Party sizes may be more than 10 people.
