

ROADMAP FOR REOPENING NASHVILLE

The City of Nashville has created the following plan to get the city back to work.

The hard truth is that our city will be living with COVID-19 until there is an effective vaccine for the virus.

Living with COVID-19 means returning to work with COVID-19.

We must proceed carefully to ensure that we do not create a surge that will send us all back home.

Nashville's economy will open in phases. We will only move to the next phase if there is positive improvement/stability in the metrics for an acceptable period, with a minimum of 14 days between phases.

Safe at Home Only (ended 5/10)	All Residents	Restaurants & Bars Serving Food	Bars & Entertainment Venues	Retail Stores & Commercial Businesses	Nail Salons, Hair Salons, Massage, Etc.	Healthcare & Dental	Gyms & Fitness	Playgrounds, tennis & basketball courts	Sports Venues
	All residents stay home unless absolutely necessary All work from home unless essential All residents wear masks in public Schools closed No gatherings over 10	Closed Only curbside service and takeout	Closed	Closed	Closed	Beginning April 30, routine and elective procedures < age 70 Employees screened daily and wear masks	Closed	Closed	Closed

ROADMAP FOR REOPENING NASHVILLE

--	--	--	--	--	---	--	--	-----------------------------------	--

There is a probability that Nashville will experience continued outbreaks of COVID-19 that will force us to revert to earlier phases of the plan.

The more that Nashville residents and businesses follow each phase of the plan carefully, the more we will stay on track and the faster we will get back to business safely.
