## Wayne County Coronavirus Page

Welcome to the Wayne County, GA Coronavirus Page. Check back to this page as we aggregate information related to the residents of the County regarding COVID-19. Use the **News & Notices** tab below for the latest information regarding Coronavirus as it affects the residents and businesses of Wayne County.

### STATE OF GEORGIA COVID-19 HOTLINE 844-442-2681

If anyone suspects they have the COVID-19 symptoms, they are encouraged by the CDC to stay at home and call the State of Georgia COVID-19 hotline. The Health Department will conduct a phone interview to determine the likelihood of a possible COVID-19 infection. If the interview results indicate the need for a physical evaluation, a home visit may be necessary for further testing.

Those that believe they may be infected with the COVID-19 virus, should **NOT** come to the hospital nor to a physician's office.

Remember the best way to protect oneself is to practice good hygiene including frequent hand-washing, avoid touching the face, and coughing/sneezing into a tissue or an elbow.

**Bill Morris Park along with all county parks are opened. During this State of Emergency, Lake Lindsey Grace will be closed to any person that is not a resident of Wayne County and will be opened to Wayne County residents from the hours of 7:00 am to 7:30 pm. Rental of facilities are closed until after July 1, 2020 at this time, this is subject to change based on the State of Emergency issued by Governor Kemp. No travel ball tournaments or practices allowed till after July 1, 2020.**

Recreation games will began June 1, 2020 with the following restrictions:

- Players must have their own equipment
- No drinking coolers in dug outs, players must bring their own water. Mark their water bottles with child NAME!
- Will open bathrooms during games
- No Water fountain available
